

The background of the certificate is a photograph of a city street. In the foreground, a person in a wheelchair is captured in motion, leaning forward as if racing. The street is paved with asphalt and has white lane markings. On the left side of the street, there are multi-story buildings with light-colored facades and arched windows. On the right, there are more buildings and some people standing on the sidewalk. A traffic light is visible in the distance on the right. The overall scene is bright and sunny, with long shadows cast on the road.
